SportsPass is a membership card platform that comes with a market leading member benefits program. Its core objective is to reduce the financial barrier to participation in sport for all members.

By being a member of FACTC you can automatically and immediately create your digital membership card for the Club, and throughout the duration of your membership with FACTC, have full access to the opportunity to save money and make money with everyday purchases and fantastic offers. Your parallel **SportsPass** Membership offers you huge discounts and two for one buying opportunities. There are also offers Australia wide which is a huge benefit when you are travelling. Some offers available include two for one coffees, discount movie tickets, cash back offers with over 1000 cashback partners, fuel discounts, theme park ticket discounts...just to name a few!
